

Our Care. Expansive. Expanding. Exemplary. The Weils.

Our newly expanded campus offers a full scope of healthcare services to seniors

Rehabilitation Services* – We're the Best

Our exceptional therapists, nurses and skilled professionals provide a full array of therapies including physical, occupational and speech. We have private rooms, bathrooms with showers, and personalized assistance for all your needs. When you need rehabilitation after an illness, surgery or injury, tell your doctor or discharge planner you want to come to The Weils.

Assisted Living – Just Like Home, Only Better

The Weils is a safe and secure active senior living community. Our many amenities include 24-hour nursing services and emergency response system; spacious one-and two-bedroom suites with full kitchen, washer/dryer, large closets, storage and individual temperature controls; three chef-prepared meals a day; transportation and help with errands; laundry, housekeeping and salon services; and life-enrichment programs offering something for every taste.

Memory-Care – In a Person-Centered Environment

Our designated and secure wing of private and semi-private suites for those with memory impairment provides a high staff-to-resident ratio in a warm and caring setting. This comfortable, homelike and sensory-stimulating environment has its own gathering space for meals, visitors, socialization, activities and programs.

Long-Term Care – Providing Services for Safe Living

A caring, compassionate and dedicated team is ready to meet your loved one's needs when long-term care is necessary...all with the dignity and respect he or she deserves. Private pay and long-term care insurance is accepted.

Short-Term and Respite Stays Available

Start planning that much-needed vacation and arrange a stay at The Weils in one of our fully-furnished suites, and experience for yourself all we have to offer.
