Montefiore's move to Beachwood from Mayfield Road in Cleveland Heights, in 1991, was only the beginning. As the changing needs of the community emerge, we continually seek ways to enhance our programs and services to meet the needs of our aging Jewish and general community.

Over the years, we have significantly grown our memory care services by adding two outstanding memory care assisted living residences – The Willensky Residence on our Beachwood campus and The David and Freda Robinson Residence on The Weils campus in Chagrin Falls. Additionally, we launched our In-Home Memory Care and Home Smart Memory Technology programs, offering services and support to enable individuals with dementia to stay in a home environment as long as possible.

With an increased need for Jewish hospice and palliative care, we built the Maltz Hospice House and expanded our Vinney hospice services in the community, now having a full-time hospice and palliative care medical director. (Read about Dr. Meredith Driscol on page 6).

Our Weils campus has expanded greatly to further meet the needs of seniors in the Chagrin Valley area and now offers assisted living, a rehabilitation therapy pavilion, along with the new memory care pavilion. Another focus has been to increase awareness of our home health care and private care services.

Over the past 25 years, sustaining our commitments has been challenging, with this past year being no exception. The percentage of the Cleveland Jewish population 65 years and older has slightly declined, while the number of people over 75 has increased significantly – with this segment requiring more care and attention. We have been able to meet these needs through the generosity of the Jewish Federation of Cleveland, grants from the community and our own supporters through their donations to our Annual Sustaining Campaign to maintain our continued on page 2
The Bea Bernstein Volunteer of the Year Award, which is named after former Volunteer Director Millie Klein’s sister, is presented to an individual or individuals who exemplify the characteristics of an outstanding volunteer by continually demonstrating exceptional commitment, devotion, loyalty and dependability by enhancing the lives of Montefiore residents. This year’s Bea Bernstein Volunteer of the Year recipients are Jerry Goldberg and Marlene Krause, a dynamic duo who have been entertaining residents with their flute and piano skills for more than 16 years!

During their time here at Montefiore, Jerry and Marlene, combined, have contributed more than 2,200 volunteer hours. They first began performing together at Mount Sinai Hospital in Cleveland, and after its closing in 1996, this pair decided to bring the healing power of music to our residents and staff. Jerry and Marlene perform on a weekly basis in resident dining rooms where both residents and staff members are amazed by their remarkable ability to play any tune upon request. Mazel Tov to both of you!

Meet Our New Life Enrichment Team!

In order to realize our mission and vision of providing innovative and enriching programs for our residents, we formed a new Life Enrichment department (formerly Activities) including familiar faces, some with new roles, as well as new additions to the team.

Iuliia Marshall will assume a new role as Life Enrichment Manager in addition to continuing her work supporting Mandel 2. She will collaborate with the entire team to deliver innovative programs that bring enjoyment and hope. Iuliia will also continue developing special programs highlighting arts, culture and humanities. Iuliia is Activity Director Certified Advanced, (MEPAP1 and MEPAP2), Dementia Practitioner Certified and a Cognitive Stimulation instructor.

Kim Phillips will assume a new role as Life Enrichment Assistant Manager in addition to supporting Mandel 3. She will work collaboratively with the team on building enhanced exercise, drama and memory programs that our residents have come to appreciate. Kim will coordinate the life enrichment calendar and documentation tracking. Kim is Activity Director Certified (MEPAP1).

Josie Love will continue in her role as Life Enrichment Coordinator supporting Myers 2, including leading a pilot program on memory and sensory stimulation. Josie is Activity Director Certified (MEPAP1) and will continue to apply her love of music and our residents in all her programs.

Sharlene Armstead, our newest addition, is the Life Enrichment Coordinator supporting Myers 3. Sharlene brings enthusiasm and creative programming ideas to turn the ordinary into extraordinary. Sharlene is Activity Director Certified Advanced (MEPAP1 and MEPAP2).

Latasha Jackson, another new addition to the team, is the Life Enrichment Assistant. Latasha assists with preparing for programs and gathering residents, especially on weekends.

Leroy Parmer is the Life Enrichment Bus Driver who brings warmth and kindness to our residents as they attend outings and trips.

Be sure to congratulate all members of the team on this new path as you see them at upcoming programs and events!

Meet Ivy Kopit

Ivy Kopit, Manager of Senior Living Admissions and Community Relations at The Weils.

We are thrilled to welcome Ivy to The Weils team! Ivy comes to us from The Fountains and Stratford Commons Assisted Living owned by Kindred Healthcare. Her role as Senior Living Consultant encompassed admissions, marketing and community relations. Ivy’s community and professional relationships coupled with her experience in resident retention, strong communication skills and building census make her the perfect fit for The Weils.

Before Ivy developed a passion for helping seniors, she was with The Jewish Big Brother Big Sister Association, Big Brothers Big Sisters of Greater Cleveland and The Littlest Heroes. Her volunteer experience includes serving as a past board member at the Mandel JCC, Fairhill Center for the Aging and United Way.

Contact Ivy at ikopit@theweils.org or 440.996.0504.

The Weils Volunteer Opportunities

The Weils is seeking adult and junior volunteers, ages 12 and up, to help with various aspects of resident life and staff support. Volunteer opportunities are available any day of the week in the morning, afternoon and some evenings. Individuals can make their own schedule.

Current Volunteer Opportunities Include:

- Bingo Caller
- Pet Therapy
- Friendly Visiting
- Wii Bowling
- Arts & Crafts

MESSAGE FROM RABBI JOEL CHAZIN
BELIEVE IN THE FUTURE – A JEWISH TRADITION

In the midst of a contentious world, fraught with anguish, a glimmer of light has appeared in Israel. An outstanding neuroscientist, Professor Dimitrios Karussis, a former Greek national, not Jewish, who fell in love with Israel, is conducting research at the famous Hadassah Hospital with stem cells and making remarkable progress there with diseases formerly thought incurable, such as Lou Gehrig’s Disease (ALS), Multiple Sclerosis and others. The secret is to use stem cells from the patient's own body, cultivate them in the laboratory, reproduce them in the tens of millions and then reinject them into the patient's own body, with notable and identifiable results. This research is being replicated in major medical centers around the world, including our own Mayo Clinic in Rochester, MN and Massachusetts General Hospital in Boston.

One Israeli, a former marathon runner, suffering from Multiple Sclerosis, now seriously disabled, found great relief after one treatment with his own stem cells explained further, “The day after the treatment, a junior doctor asked me to lift my leg up in the air. Normally, she would put her little finger on my leg and it would fall back onto the couch, but I could actually keep my leg up on my own. I remember her leaving my room and I just cried…seventy two hours later I went for a run.”

But what is most impressive about Professor Karussis is his high esteem for the Israeli people. In his own words, “I definitely think that this thirst for doing new things and having no limits is an Israeli characteristic. The patients in Israel are very open to new approaches and are not conservative. This has helped us…this mentality that people in Israel believe in the future. They believe in innovation. This is what makes the country so progressive in the field of research.”

Belief in the future. Can there be any other way? It is this hope, this optimism that has sustained our people since the beginning. In the seven weeks leading up to Rosh Hashanah, our prophets only offered hope and consolation. Even in Israel's darkest hour, after the destruction of The Temple in Jerusalem, Isaiah had the courage to stand forth and proclaim, “Truly the Lord has comforted Zion. Comforted all her ruins. Gladness and joy shall abide there, Thanksgiving and the sound of music.”

May the coming New Year be a year of brightness, healing and hope for all.

Rabbi Joel Chazin

Meet THE Team

Meredith Driscoll, MD, FACP, HMDC
Medical Director of Vinney Hospice and Palliative Care of Montefiore and Maltz Hospice House

We are thrilled to welcome Dr. Meredith Driscoll as the full-time Medical Director of our Vinney Hospice and Palliative Care and Maltz Hospice House teams. Dr. Driscoll trained at Indiana University School of Medicine and completed fellowships in Hospice and Palliative Medicine at Cleveland Clinic Foundation, Pain and Symptom Management at MD Anderson Cancer Center in Houston, and Oncology and Hematology at University Hospitals Case Medical Center. She practiced for the UH Ireland Cancer Center and has held positions in hospice and palliative care with several community agencies. Most recently she served as Medical Director of Hospice and Palliative Medicine at Louis B. Stokes Veterans Affairs Medical Center in Cleveland.

Dr. Driscoll has received numerous academic honors and awards and has published and presented on a variety of clinical topics including hospice and palliative care, pain and symptom management, and end-of-life care. She is a board certified Hospice Medical Director (HMDC) and has board certifications in Internal Medicine and Hospice and Palliative Medicine.

Tammy Pakiz, RN, BSN, CHPN
Clinical Manager for Maltz Hospice House

Tammy brings 20 years of direct care experience and hospice management, including inpatient management of the Hospice Care Center for Hospice of the Western Reserve and the Harry R. Horvitz Center for Palliative Medicine at the Cleveland Clinic’s main campus. Tammy has been certified in hospice and palliative care nursing for 12 years and is a Reiki practitioner. We welcome Tammy back to Montefiore, as her first full-time position as a hospice RN case manager was in the late 1990s with our program then known as NCJW/Montefiore Hospice.

Sherry Thomas, RN, BS-Public Health
Interim Director of Nursing (DON)

We are pleased to introduce Sherry Thomas, RN, BS-Public Health, as the interim Director of Nursing (DON) at Montefiore. Sherry will be responsible for all clinical operations in the nursing home and The Willensky Residence, our memory care assisted living community. Sherry brings a wealth of experience as a director of nursing in long-term and short-term care and as a nurse clinical consultant in Florida and Ohio. She has expertise in wound care, quality improvement and staffing and has proven herself to be a great asset to our nursing team. Sherry will continue in this role as we look for a Director of Nursing to lead our clinical operations.

SAVE-THE-DATE

Be on the lookout for more details in the near future!
Welcome Aboard!

We are pleased to introduce you to the new faces that will help strengthen Montefiore in the years to come. Montefiore’s commitment to attracting first-rate leaders is evident with the latest additions to our Board of Directors.

Montefiore Board of Directors 2016-2017

Neil Chakoff is the deputy director of purchasing at Cuyahoga Metropolitan Housing Authority. Neil has a wealth of architectural, design and construction expertise with both commercial and residential real estate. As a lay leader, he assisted with fundraising at the Wexner Heritage Village in Columbus from 2009-2011. Neil previously served as the Director of Construction at Apple American Group and owned his own company, Neil Chakoff Facility Management, Inc. for 18 years. Neil studied architecture at the University of Cincinnati and received his B.S. in Building Construction from Auburn University.

Marti Davis has served in numerous volunteer capacities with the Jewish Federation of Cleveland, including Lion of Judah and Ruby Lion of Judah Co-chair as well as serving on the JFC Allocations committee. She is a member of Cleveland Clinic’s Seidman Cancer Center Leadership Council. Marti is no stranger to Montefiore having served on several committees including the Annual Home Run/Walk, Montefiore, Memories and Mimosas brunch and is a co-chair for the upcoming vocal talent competition, Shining Star CLE. Marti graduated with a BA from Miami University of Ohio and received a J.D. from The Ohio State University College of Law. She and her husband Jeff, who is board chair of The Montefiore Foundation, have two adult children and are members of Park Synagogue.

Philip Goldberg, MD, is a board-certified ophthalmologist at Cleveland Clinic's Cole Eye Institute. He has held multiple positions on the Diabetes Association of Greater Cleveland board including chair. He also volunteers for the Jewish Family Service Association of Cleveland’s primary medical clinic - Alyson’s Place. Dr. Goldberg completed his undergraduate degree at Boston College and earned his MD from the University of Louisville’s School of Medicine. He and his wife Adrienne are members of Park Synagogue and have two adult children.

Kevin Gregory is the president and owner of Symmetric Solutions & Insurance Agency, LLC. He works with clients of all sizes providing strategic planning, product development and new business support. His work is focused on improving health care and risk management. Kevin spearheaded a committee of the American Jewish Committee (AJC) that helped develop Cultural Links, a diversity outreach program. He served on the Governor’s Task Forces for a Drug Free Workplace. Kevin received a BBA from the University of Cincinnati’s Lindner College of Business. He and his wife Liz have two teenage daughters and are members of Park Synagogue.

Ida Haber is the vice president of The PDI Group, a family owned manufacturing company with operations also in Solon and Fort Walton Beach, Florida. She sits on the Board of University Hospitals Ahuja Leadership Council and the Cleveland Clinic Wellness Board. Ida chaired the search committee for a new head rabbi at Congregation Bethaynu and was on the board during its merge with B’nai Jeshurun Congregation. She and her husband Irwin, also a board member, have three adult children and three grandchildren.

Irwin Haber is the chairman and owner of The PDI Group, a manufacturer of products for the international defense industry. He currently serves on the University Hospitals Ahuja Medical Center Board of Directors and is a member of the University Hospitals Board of Trustees. Irwin is on the National Executive Council of the American Israel Public Affairs Committee (AIPAC), is the current chairman of the Friends of the Israel Defense Forces’ (FIDF) Ohio chapter and serves on the national Board of Directors of FIDF. Irwin was the past president of the Joseph and Florence Mandel Jewish Day School (formerly the Agnon School), Congregation Bethaynu and AIPAC Northeast Ohio.

**Our Mission**

Guided by Jewish values, Montefiore provides a continuum of quality compassionate healthcare services to adults and support to families through individualized care in our home or yours, respect for the dignity and independence of those we serve, a dedicated and caring team and innovative programming.

**Our Vision**

Montefiore will set the standard for delivering premier healthcare services to adults in our community as they age.
PERMANENT IRA CHARITABLE ROLLOVER EXTENSION BENEFITS MONTEFIORE DONORS!

Last December, we received wonderful news of Congress passing the permanent IRA Charitable Rollover Act of 2015. This law allows you to permanently transfer money from your IRA account directly to Montefiore. In fact, it may give you the opportunity to save significant tax dollars, while supporting our residents, patients and their families.

Since you first started putting money toward your retirement fund, you've been accruing enormous amounts of money. Thanks to the IRA Charitable Rollover Act of 2015, you will receive an income tax deduction from the year you made the contribution to the IRA and any growth in the accounts would go untaxed until you withdraw from your account. What a wonderful opportunity to have a current income tax deduction and a deferral in recognizing any gains! Now, however, the tax bill from those years of deferred tax is coming due for many of you who are at age 70 ½, as the IRS requires you to take distributions from these accounts. This forced withdrawal is called Required Minimum Distribution (RMD).

For some of you, this additional income may mean additional taxes. This extra revenue may push some into a higher tax bracket and may result in a tax on social security payments. Fortunately, there is a solution. The IRA Charitable Rollover Act of 2015 allows you, as a donor, the opportunity to make a tax-free gift from your IRA account to Montefiore – the IRS will allow up to a $100,000 gift for 2016. Your charitable gift can be used to satisfy your RMD, and it is 100% tax-free!

This significant incentive means you do not have to declare the RMD, which keeps your gift from being taxed, and also avoids the other unfavorable effects mentioned. In addition, a gift of this type will not cause a reduction in personal exemptions or allowable deductions. Please be sure to check with your tax advisor as to how this type of gift will affect you personally.

You Make the Loving Difference

With your support, we are pleased to announce that we exceeded our 2015-2016 Annual Campaign goal! With 1,100 donors, we raised more than $438,000 to provide quality and loving care to our patients and residents.

The essential services we provide each day give families and friends the peace of mind that their loved one is in caring, capable hands. Each year, the generosity of our donors enables Montefiore and The Weils to continue our longstanding commitment to caring.

Despite our significant growth in community support, we still face a sizable gap between our healthcare reimbursements and the cost of continuing to provide the outstanding care each individual deserves. If you would like to help us ensure each resident receives the best care, services and programming, regardless of ability to pay, please consider supporting our 2017 annual campaign. For more information on supporting this campaign, contact Alyssa Rothstein, development associate, at 216.910.2636 or arothstein@montefiorecare.org. Thank You!

Montefiore Receives New Transport Van!

We are thrilled to announce that a shining new transport bus (pictured below), specifically designated for use by those within Montefiore's Memory Care Network, is now part of our vehicle fleet!

Access to this vehicle, which seats up to nine individuals, allows residents in our two memory care assisted living communities – The Willensky Residence (on Montefiore’s campus) and The David and Freda Robinson Residence (on The Weils campus) – to participate in community outings such as visiting restaurants, museums, sporting events and parks as well as using it for medical appointments. For clients enrolled in Montefiore’s In-Home Memory Care program, this vehicle allows easy access for transportation to medical appointments, errands and community outings.

Everyone from residents, their families and staff are excited about the arrival of this Goshen Coach. Memory Care Manager Kristen Morelli says, “This beautiful and much-needed van is a great resource for our memory care community – it has all the bells and whistles – everything we could ever possibly need!”

Our sincere thank you to the Northeast Ohio Areawide Coordinating Agency (NOACA) for awarding us this grant to purchase the van to “enhance mobility of seniors and individuals with disabilities.”

For more information about our Memory Care Network program, contact Kristen Morelli at 216.910.2323 or kmorelli@montefiorecare.org.
Ohio House Minority Leader Fred Strahorn met with Montefiore to learn about our organization, discuss current issues and tour the campus. Board Vice Chair Ira Goffman, President and CEO Seth Vilensky, Fred Strahorn and Board Chair Larry Mack.

Thank You
Men’s Club of Fairmount Temple for 50 Years of Volunteer Service!

Our sincerest thank you to the Men’s Club of Fairmount Temple for devoting 50 years of volunteer service to the residents of Montefiore! You exemplify the true meaning of tikkun olam – repairing the world – in all that you contributed and continue to do for our residents and families. Your monthly visits since 1966 have meant the world to the thousands of residents whose lives and hearts you’ve touch through your generous spirit.

Residents and family members look forward to your Mitzvah Corp programs, held the first Saturday of the month, offering wonderful entertainment and refreshments. We thank you from the bottom of our hearts and so appreciate all that you do to put smiles on our residents’ faces!

We will commemorate this special 50th anniversary of volunteer service in the near future with a very special event! Watch for details! For more information, contact Diane Weiner, volunteer manager at 216.910.2741 or dweiner@montefiorecare.org.

Bubbes, Zaydes & Babies

In partnership with JCC Early Childhood Education, we are launching the first of four quarterly, intergenerational and interactive programs for residents on Sunday, September 25, 2016 at 10:30 am at Montefiore. These hour-long programs, led by Debbie Friedman, Mandel JCC Family Place coordinator, invite young families to spend time with Montefiore residents, while exploring seasonal Jewish themes. All activities will include music, hands-on creative projects, storytelling and snack time. Special thanks to Jewish Education Center of Cleveland (JECC) for the 2016-2017 Shoresh grant.
For more information, contact Iuliia Marshall, Life Enrichment Manager, at 216.910.2588 or imarshall@montefiorecare.org.

University Circle Brings Distance Learning to Residents

University Circle, Inc. offers programmed each month to Montefiore seniors via live and interactive videoconferencing technology. All videoconference programming this fall will take place at 2:30 pm in the Maltz Auditorium.
This unique program, that “brings to the world” to Montefiore, has been generously sponsored by Gloria Plevin and The Elizabeth & Sidney Rosenthal Endowment Fund with assistance from University Circle Inc. To learn more, visit www.universitycircle.org/learn/senior-connections. Open to all!
