LEADING FOR CHANGE
Excerpts from 134th annual meeting remarks

It is hard to grasp that Montefiore has been providing services to seniors for more than half the time the US has been in existence. Founded in 1882 as the Kesher Home for Aged and Infirmed Israelites to house persons from a nine-state area who were 65 years and older in reasonably good health and in need of shelter.

...Moved to a brand new building in 1917 on Mayfield Road in Cleveland Heights. The model took on a new look and served individuals who needed long-term care as well as offering rehabilitation therapies and social programming.

...Moved to Beachwood in 1991 and now celebrate our 25th anniversary. Once we moved to David Myers Parkway, our mission continued to evolve.

...Recognizing the need for short-term rehabilitation care for people leaving the hospital and needing various rehab therapies, we built Rehab Road™ and a dedicated post-hospital care center.

During the past 25 years, we have seen rapid changes in the healthcare landscape and have continued to stay ahead of the curve.

...In 2002, we opened The Weils, a 75-suite assisted living facility in Chagrin Falls. The whole campus has continued to evolve to meet the ever-changing needs of the community.

...In 2012, we opened The Willensky Residence at Montefiore, a memory care assisted living community, and today there are 25 residents who are well-cared for by specially-trained staff.

...In 2015, we opened the beautiful new 18-suite David and Freda Robinson Residence, a memory care community, at The Weils to serve the surrounding area.

Many families who have loved ones with dementia are reluctant to move out of their homes but still require support and services. Thanks to several grants, this led to our launching an In-Home Memory Care program. Our team of experts offer

Montefiore and University Circle, Inc. Programming Partnership

Guest writer: Sandy Kreisman, Manager, Distance Learning for University Circle, Inc.

Montefiore has developed an exciting relationship with University Circle, Inc. (UCI), a non-profit organization that guides the growth and evolution of Cleveland’s cultural district, by offering programming to seniors via videoconferencing technology. This technology is live, interactive and brings exciting programs for residents to enjoy. Although UCI has been doing this outreach program for four years, Montefiore is the first nursing home to partner with University Circle, Inc. We will host two monthly videoconferences that will be offered on various Thursdays at 2:30 pm in Montefiore’s Maltz Auditorium.

The videoconferences for the month of June will be IMPRESSIONISM in ART & MUSIC and the presenting institutions will be educators from The Cleveland Institute of Music and The Cleveland Museum of Art. The art impressionism program will take place on June 9. Anyone in the Montefiore family is encouraged to attend.

On July 7 and July 14, we will focus on the Golden Age of Television, allowing residents to reminisce about the 1950s/60s. These programs include sharing memories and showing video clips of classic television shows and live performances from the Rat Pack. Presenters include The Paley Center for Media and the Manhattan School of Music, both based in New York City.

August programs will focus on jazz as a true American art form and Montefiore will continue to work with the Manhattan School of Music and their teaching artists via videoconference. The History of Jazz: Swinging Through Time will be presented on August 4. This presentation will trace jazz from its beginnings in New Orleans, to its growth in the big cities of New York and Chicago, and to its success on the international stage. Duke Ellington: America’s Composer, will be offered on August 11. Regarded as one of America’s most prolific and important composers, explore “The Duke’s” life and times – listen to his incomparable music, learn about his legendary band and discover new and exciting facts about the icon!

This unique program, that “brings the world” to Montefiore, has been generously sponsored by Gloria Plevin and The Elizabeth and Sidney Rosenthal Endowment Fund with assistance from University Circle, Inc.

To learn more about University Circle, Inc.’s videoconferencing initiative serving senior audiences, visit their website at http://www.universitycircle.org/uci/lifelong-learning-center/adults-seniors.

MESSAGE FROM RABBI JOEL CHAZIN

AGAINST DESPAIR

A great commandment in our Torah (Teaching, Tradition) is to give love. “Love thy neighbor as thyself.” But equally great is a new mandate: We must give hope to so many who need it.

A very disturbing report, just released, advises us that suicides among Americans have risen 24% in the last 30 years. Astonishingly, the rates are highest for women at 63%, between the ages 45 and 64. Among men in the same age bracket, the figures are almost as disturbing at 43%.

Unquestionably, this points to a surge in hopelessness among so many Americans. We’re talking about people overcome by despair who have taken the awful step to end their lives and never try to see a better day.

Of course we’re aware of economic distress, but this hits home (interestingly, these terrible statistics declined for only one age group: senior men and women over 75).

One official, Robert D. Putnam, professor of Public Policy at Harvard, summarized it: “This is part of the larger pattern of the links between poverty, hopelessness and health.”

Are we just going to stand by and do nothing? Do we simply fold our arms and do nothing? Our life experience and Jewish Tradition requires that we care and act. Al Ta’amode al dam reyecha – Do not stand by the blood of thy neighbor! (Leviticus, Chapter 19, Verse 16). All parties involved – government, private enterprise – must work to strengthen jobs, wages, economic growth.

But we, too, must be involved. We cannot abandon the lonely, the desperate, the many who need hope …and our friendship.

With warm wishes for our common bonds and our insistent need to help.

WE INVITE YOU TO ATTEND
JOURNEY THROUGH Grief
A Six-Week Bereavement Support Group
JUNE 21 - JULY 26, 2016
TUESDAYS, 5:30 - 7 PM
MALTZ C

To experience great grief is to have experienced great love; however, most people are not ready for the intensity of feelings that engulf them when a loved one dies. The pain, confusion, anger and depression of the grieving process can be frightening. We wish to help.

Journey Through Grief, a six-week bereavement education and support group, free and open to the community, will begin in June for adults suffering from recent loss. We will provide materials and discussion on a variety of topics to assist participants in the grieving process.

Miriam Katz, LISW-S, will facilitate the group. This non-denominational education and support group is sponsored by Berkowitz-Kumin-Bookatz Memorial Chapel, Vinney Hospice of Montefiore and the Edith and Alvin Schreibman Bereavement Support Group Fund of The Montefiore Foundation.

For more information or to register, please contact Miriam at 216.910.2796 or mkatz@montefiorecare.org.
We are excited to announce

Event sponsorship is available at the $5000, $2000, $1250, $750, and $500 level.
Pre-registration is $20 by Friday, August 26 or $25 the day of the race.

Questions? Call Melissa Adell, development associate, at 216.910.2652 or madell@montefiorecare.org.

The planning for Montefiore’s second annual Home Run 5K run/walk & 1 mile walk is well on its way! Last year, the event brought together more than 360 people and more than 20 different sponsors raising $55,000 to support our residents, patients and their families. We anticipate this year being even stronger.

In addition to the beautiful sponsorship support, we expect many participants to log on, register for the race and create their own digital fundraising campaign. This process is very easy to complete. In fact, I set up my personal page just a few days ago and have heard back from more than 20 neighbors, family members, colleagues (past and present) and many other members of my community with generous gifts supporting Montefiore and the people we serve.

Please take just a few minutes to log on to montefiorecare.org/homerun to set up your page and register as a walker or runner. The registration page allows you to easily invite your friends and family to participate and/or support you, shows the dollars you have raised and your sponsors. Once again, it is easy to do. It only takes a few minutes to do a beautiful, generous mitzvah while offering your friends and family an opportunity to do a mitzvah as well. As a community we can do great things together!

I look forward to seeing you at the race!

Young Jewish leaders from St. Petersburg, Russia came to visit with our Russian residents – thanks to the Jewish Federation of Cleveland – to learn about our Jewish community, so they can improve their own community more than 4,000 miles away. This was a new experience for many of these individuals since there are no long-term care facilities in Russia.
